

MNWT is hosting the hospitality suite at the
Breaking Free Demand Change Project.
We need your chapter's help!

The Hospitality Suite is for speakers and
event volunteers and staff.

We need donations of bottled water, candy, trail mix, chips, cans
of soda, nuts, etc. Cash is also acceptable - please make
checks out to MNWT and send them to the CSC.

Items that come in individual packages would be awesome - so
volunteers can grab and go - but we would also accept bulk
packaging from which volunteers can scoop.

Please bring your donations to Annual Convention, or contact
us to make arrangements for pickup.

**This is an awesome opportunity to earn SUCCESS points in the Priority Project Programming
Area and/or with USWT for Domestic Violence Awareness Programming Area.**
