What We Offer

SERVICE

The Women of Today believe very strongly in service to others. We contribute to our communities through fundraising for worthy causes and by providing services and education to community and chapter members. We are a non-profit, volunteer organization that offers many interesting programs and projects for everyone.

GROWTH

Developing self-confidence and learning how to work more effectively with others is also a priority in the Women of Today. Opportunities for leadership training exist at local, state, and national levels of the organization through holding officer positions, chairing projects, and committee participation. Our Personal Enrichment programs are designed to help “build a better you” through a variety of areas.

FELLOWSHIP

Membership in the Women of Today offers the opportunity to develop close friendships with others who share similar interests. Socials and other fun-filled events are held to encourage members to get to know one another better. We also bring our families together at various outings. Friendship amongst our members and their families helps strengthen our community

How Much Time Does It Take?

We encourage members to be as active as they are able. Some members help with a couple of projects and events a year; others help monthly. Members and non-members are welcome to attend our meetings and events when they are able to.

Expand your horizons, change someone's world, join Women of Today.....think of the possibilities!
