

**MINNESOTA WOMEN OF TODAY  
QUICKCHECK RECAP -- Qtr**

**BENSON Women of Today**

**Run Date:** Mar 2004

**District:** 5

**Chapter** 0020

This is your QuickCheck worksheet for the fourth quarter. It shows only members who are due to renew in the fourth or first quarters. Retention is vital ! In order to achieve our goal of 70% retention, we must work now to activate anyone who is inactive and due this quarter and in the coming quarters !

Think carefully about each member listed below, and how active she's been since November 1. If she hasn't been to 2 meetings or worked on 2 projects, she needs special attention. Special attention now to activate her means she will renew when she is due!

**!!! IDEAS TO HELP MAKE SURE SHE RENEWS !!!**

- 1) Call her and talk to her. Tell her you've missed her. Ask her to come to the next meeting (or fun event).
- 2) Choose an activity for a project which is coming up. Ask her to do it.
- 3) Have lunch with her -- get to know her. Make sure she feels cared about. Ask her what she'd like to be getting out of Women of Today. Help her find the activities that will meet those needs.
