					I feel I have been properly and completely oriented with Women of Today
					Everything is being done to keep me informed of chapter activities
					Meetings are typically productive.
					I enjoy attending meetings and other chapter events
					Meetings usually run and acceptable length of time.
					We run the right amount of projects that serve our community.
					Programming areas are being fully promoted.
					There are ample opportunities for personal growth within Women of Today.
					I wish we had more outside speakers at our meetings.
					More socials should be planned so we can become better acquainted.
					I would like more personal contact from the president.
					I would like to see our chapter more involved on the district and state levels.
					Enough attention is paid to the district, state and national levels of the organization.
					I feel comfortable approaching the president or other board members with concerns I may have.
					Deserving members are being amply recognized.
					Our chapter spends enough time recruiting members.
					I want to share my Women of Today experiences with friends.
					I am happy with my level of involvement within our chapter.

Name one thing you would like to see change in our chapter.
