

MINNESOTA WOMEN OF TODAY CONTRIBUTIONS

Minnesota Women of Today chapters offer financial support to several foundations. In addition to this, local chapters are continually recognizing the financial needs in and around their communities. The Youth and Community column is a conservative representation of the dollars raised by chapters for programs and services offered on the local level (i.e. DARE programs, women's shelters, senior citizens programs, youth recreational programs).

FOUNDATIONS	2006-2007	2007-2008	2008-2009	2009-2010
