Hello Chapter Presidents, State Delegates and Chapter Membership Teams,

I hope all of you have been having fun “Extending a Hand of Friendship” to the Women of MN in 1st Trimester. It is rewarding to tell other women about how we have a mission of “Service, Growth and Fellowship”. We serve our local communities, state and nation. We are provided with opportunities to grow as individuals and as an organization. We have a lot of fun doing it. This organization is the pathway to work with others we would not get to work with. We meet a variety of people of different ages and people who live in other cities and states. What a blessing that is.

With help from the Membership Team and the Marketing Vice President and others from the Extensions Task Force, we explored communities we wanted to focus on. We have settled on Richfield and Stillwater right now. See more information about what we have done in these communities and what we have planned in the future.

I am always looking for members who are excited and engaged members to have fun with me. We have opportunities to help “Extend a Hand of Friendship” to the women of the State of MN coming up. We need your help! If you have time on October 15 or 16 to help see more information in this CIP.

To be included in this new adventure please email me at extensions@mnwt.org.
 Look to Facebook for more information. Here’s the link.

The City of Richfield Chamber of Commerce has been supportive and excited to have MNWT explore their community for a possible new chapter. Did you know that Richfield has had a chapter in the past? I know that we have some members that used to belong to that chapter. Would you help us? Do you know of past members that may want to help us? Please email me with information.

In Richfield the MNWT Extensions Task Force has attended a Chamber meeting and held a Mini Golf Event and talked to women from Richfield and other communities. At both events information was given about MNWT orally and written. The visiting women were told about the MNWT website and given more information on how to contact us personally (via our MNWT email) or the Chapter Service Center.

We need 3-4 members to help us on Saturday October 15 3:30 to 7pm. Richfield has a Trunk or Treat that we would like to participate in. The time of the event is 4pm to 7pm. We will have ideas for the trunk decorations. We will have candy for children and information to hand out to adults about MNWT and another event in Richfield planned. Just show up! If you can help, please email me at extensions@mnwt.org.

We have had women from the Stillwater area interested in Women of Today. They have joined chapters near them, but would like to have one closer to home. Can we help? Yes we can!

We have an event planned that is helping in 2 ways. MNWT is always overachievers!

Sunday, October 16, we are helping at the Pine Tree Apple Orchard's Pumpkin Patch. We need many volunteers to cover 2 shifts 10:30am to 2pm and 1:30pm to 5pm. The event is from 11pm to 4pm. We need help with using the registers and credit card machines. People can get water and cider and drive tractors. We will also have a MNWT table with information to hand out.

Anyone can help! Would your family like to help also?

Important! This event will expose hundreds of people to MNWT and we will earn money! The money earned will be donated to **Crescent Cove**. The more people who help the more money we raise for this wonderful organization. See the Priority Area CIP for more information on this organization.

Trimester One Challenges

1. Participate in the Richfield Trunk or Treat.

OR

2. Participate in the Pine Tree Apple Orchard Pumpkin Patch Event.

Incentives will be given at Winter State

The second Extensions Week will be November 5 to 12, 2022. The Task Force will be planning Meet and Greet Events this Week. Please join us! We are planning fun events to engage new communities in MNWT. You will see information on the Membership Facebook Pages and Chapter Mailing Highlights and in chapter emails.

The third Trimester Extension Week will be February 18-25 2023. More information next CIP.

Amazing Offer from the MNWT Foundation

Any new chapter that completes an extension November 30, 2022 will receive \$250.00.

This is amazing. Please join me on the Extensions Task Force to see if we can give a new chapter this money to help them get off to a great start.

Did you know that the MNWT Foundation has other ways to help new chapters?

Chapters can

1. Apply for Extension Funding. To help chapters, districts or extensions teams when they are looking to extend a new chapter.

2. Apply for a Grant for Newly Extended Chapters.

3. Apply for a Loan for a Newly Extended Chapter.

If you are interested in any of these options, please email the Extensions Director at extensions@mnwt.org
