Membership Management Committee

What is the MEMBERSHIP MANAGEMENT COMMITTEE (MMC)?

And who should read this CIP ????

MMC is a place where State Staff and General Members come together to aid chapters with important topics like Retention, M-Night Ideas, Event Planning, Conflict Resolution, Extensions, Ladies Night Out, just to name a few.

Who should read this CIP, well of course the Chapter President, after all she is the Captain of her team, The Membership VP cause her main focus is membership, Wait a minute Membership is everybody's job, so everybody should read this CIP. In fact why not make it easy and put this in your chapter newsletter.

For Socials & M-Night Ideas go to: www.mnwt.org/membership/projectideas_socials.html

A reminder from your State Membership Vice President: FOUNDER'S DAY

Minnesota Women of Today Founder's Day is on July 1st. The celebration of Founder's day is a great time to work together with your Public Relations LPM and other members of your chapter to promote Founders Day in your community.

"SHARE THE SECRET"

Yea!!!! Ladies Night Out continues. Women of Today is the best kept secret in Minnesota and we all need to share it. Watch your emails for a project in a bag to make sharing this wonder secret as easy as apple pie. The dates are August 11, October 18, and April 17. There also will be a drawing for a great prize for chapters that participate (see the Marketing Committee CIP)

Extensions Team Needs You!

Are you a recruiter? Or maybe a trainer? Or both? Are you interested in working on an extension?

The Extensions Team needs you to join the team! We want individuals who are great at recruiting and great at training to team up and start new chapters. When you join, it can be to help with a full extension, just recruiting, training or helping out at a single event.

You don't need chapter or district support. Maybe you and someone else in your chapter would like to be part of an extension. This is where the extension team comes in. It may also be that once the extension is in progress, your chapter would have a change of heart and be willing to aid you in this awesome adventure! You will never know unless you try.

If you are interest in learning more, please contact Marie Robinson at extensions@mnwt.org

There are many ways to make a difference; I hope to hear from YOU.
