Accomplish Stuff, Drink More Coffee

Hello Minnesota Women of Today!

Where did first trimester go? It was so much fun seeing people in person at Fall State. The COVID thing has taught us how resilient and flexible we can be. One of the things that I have learned is gratitude. When we are grateful for what we have we are able to find peace. Take a moment to be grateful and recognize the peace it brings.

Even if Anna isn't in the pictures, we would still like to have them to help flesh out scrapbooks and for slideshows.

The Great Presidential Assistant Challenge

One of my duties as PA this year is to shower President Anna with gifts and tokens of our Chapter's, District's and State's appreciation. I am asking every Chapter and District to send in \$10 to the Chapter Service Center with presidential gift in the memo line. Thank you to the 14 chapters and one district that participated in my challenge. The winner of my first trimester challenge is: District 5

This year will fly by for President Anna. Before Anna knows it, she will be wondering where the time has gone. To help her remember her year, Anna would like a scrap book. Please help me make her wish come true. The way this will be accomplished will be to take pictures of your projects, events, socials and meetings. Put them together on a 12x12 inch scrapbook page, front and back. The pages are due to me by April 15, 2022 so I can assemble them in time to present the book to Anna at Annual 2022.
