### PHOTO BOOKS ✈

At the end of the year, the Greenbush Chapter will be compiling Photo Books to be presented to President Brenda full of pictures of her year as president.

**Please forward copies of pictures that you take when President Brenda comes to visit your chapter or district meetings or events. Or if sharing on social media, please use #LeadTheWayBrenda - privacy setting must be set to public.**

You can send them electronically, or give them to me at conventions, or mail to me at the address above.

In addition, if you have any mementos of events that President Brenda attends, please send/give those to me as well so that the Greenbush chapter can include those in President Brenda's year-end scrapbook.

## MUST READ OF THE TRIMESTER ✈️

### Paper Airplane

A Lesson for Flying Outside the Box  
by Michael McMillan

Paper Airplane is a thought-provoking story about vision, courage and a sixth grader's unique response to a class project. This book provides valuable insights on creative thinking, questioning the norm, and taking action to transform problems into new opportunities - "alternative thinking," otherwise known by that more familiar phrase, "thinking outside of the box."
